KYIV

Booth: Booth 8

Date: May 19 - 20th 2016 | Thurs – Fri

Venue: Kyiv, ACCO International Exhibition Centre in Kiev

Etere will participate in the 2016 edition of Kyiv International TV and Radio Fair, an important forum for professionals of Ukrainian media industry. Staged every year since 2007, Kiev International TV and Radio Fair is organised by TV & Radio Courier LLC. The exhibition involves international participants from the professional fields of television, radio broadcast, telecommunications, cinema production, photo market and internet.

We will be showcasing our latest Media Asset Management and Channel in a box software solutions for broadcasters and media companies at the event, see you there!

Etere's MERP Keeps All Resources Connected

Etere's unique MERP end-to-end software-only solution is used by many of the world's leading broadcasters to power their media asset planning and enterprise resources management and it remains the only company to offer an end-to-end workflow solution for any broadcast and media company.

Etere will demonstrate a fully integrated range of enterprise-level software modules including Media Asset Management, Archiving, Automation, Tapeless Reception, Air Sales, Newsroom, Broadcast Management, IT Playout, Scheduling, AD Insertion, Quality Control Transcoding, Censorship, OTT Integration and more.

Experience Etere's forward-thinking solutions for yourself at Kyiv International TV and Radio Fair 2016. If you would like to arrange a meeting at this event, please send us an email at marketing@etere.com.
