Etere is pleased to announce its participation in **Africa-ASEAN Business Expo (AABE) 2017** which will be held at the Sandton Convention Centre in Johannesburg, South Africa. The Africa-ASEAN Business Expo (AABE) 2017 serves as a strategic platform to link businesses between ASEAN and the Africa Union via the respective commercial hubs of Singapore and South Africa. AABE 2017 is an inaugural edition which is expected to attract between 3000 to 4000 trade visitors.

At the event, Etere will present its unique **Etere Media Enterprise Resource Planning (MERP)** framework of solutions which are capable of managing the end-to-end lifecycle of any company with its flexible and integrative software-based modules including **Media Asset Management (MAM), Newsroom, Hierarchical Storage Management (HSM), Censorship, Broadcast Management System (BMS), Automation, Airsales and Ad Insertion**. Valued for its innovation and reliability, Etere MERP has been a market-proven choice for broadcasters and media companies around the world since 1987.

Etere Full IP Payout with Etere ETX-M IP Multiviewer

Etere's market-proven full IP solution allows you to leverage the benefits of IP and gain a competitive advantage, way ahead of industry standards such as SMPTE 2022, Aspen and AIMS. Etere streamlines your IP payout with a fully digital solution that does not require hardware, cables or other accessories. It is capable of broadcast quality 4K and HD payout and it allows you to manage ANY payout over IP with a very high level of reliability and flexibility. Additionally, Etere IP solution is integrated with ETX-M IP Multiviewer, a software that allows you to manage and adjust up to 9 monitors and 30 sources simultaneously.
