DIGITALE 2015

ETERE is glad to announce that we will be part of Comunicare Digitale in Italy this year to offer our solutions for the broadcast market.

### DISCOVER THE FUTURE WITH MERP

A special focus will be reserved to Etere Cloud Media ERP, the solution that allows building a flexible, scalable and customizable system able to carry out the entire media life cycle from production to ingest and playout, from archiving to content delivery in multiple formats for multiple purposes, under a fully tapeless/paperless and workflow-based digital environment.

Etere Cloud MERP makes your workflow smooth and intelligent, like an orchestra maestro which merges the sound of each instrument in a wonderful music! The MERP approach brings a myriad of benefits, key ones include a flexible and powerful platform for an efficient resources management, a global workflow-driven framework for a complete business management and, last but not least, a shared information repository for real-time metadata management.

### COME AND VISIT US

We invite you to explore our solutions. Meet our Sales Managers who will be glad to show you the unique features of Etere MERP Cloud!
