Etere of Italy has launched Etere Web, a webcasting system that takes data directly from an Etere Automation schedule for TV or radio. Features include publishing background information on the web as programmes go to air and the delivery of single events on demand, backed by a 24/365 support service in either Italian or English. www.etere.com

About Etere

Founded in 1987, Etere is amongst the worldwide leaders in Media Asset Management and channel in a box software solutions for broadcasters and media companies. Etere's unique MERP software-only solution is used by many of the world's leading Media Enterprises to power their digital assets. Its modular solutions including Airsales, Ad Insertion, playout, HSM archive, TV automation and Censorship are built with an innovative architecture, offering the best flexibility and reliability in the market. Etere is headquartered in Singapore, with a dedicated 24/7 support centre in Italy.
