Large HSM System

Etere logo

Discover how Etere implements comprehensive IT solutions based on a distributed architecture that offers in one single package all automation, storage, archiving, migration, and web features under a reliable Microsoft SQL environment. Please view the attachment for more details.

About Etere
Founded in 1987, Etere is amongst the worldwide leaders in Media Asset Management and channel in a box software solutions for broadcasters and media companies. Etere's unique MERP software-only solution is used by many of the world's leading Media Enterprises to power their digital assets. Its modular solutions including Airsales, Ad Insertion, playout, HSM archive, TV automation and Censorship are built with an innovative architecture, offering the best flexibility and reliability in the market. Etere is headquartered in Singapore, with a dedicated 24/7 support centre in Italy.
