

## Multiple IP-Addresses Support

Please view attachment for more details on IP-Addresses Support.

Multiple IP Addresses

In the attached document, Etere explains the importance of a well-implemented TCP/IP configuration, and defines the directives to get a secure network able to manage more than one ip by client.

### About Etere

Founded in 1987, Etere is amongst the worldwide leaders in Media Asset Management and channel in a box software solutions for broadcasters and media companies. Etere's unique MERP software-only solution is used by many of the world's leading Media Enterprises to power their digital assets. Its modular solutions including Airsales, Ad Insertion, playout, HSM archive, TV automation and Censorship are built with an innovative architecture, offering the best flexibility and reliability in the market. Etere is headquartered in Singapore, with a dedicated 24/7 support centre in Italy.
