

## Powerpoint: SNMP Monitoring

Please view attachment for a presentation on Etere SNMP Monitoring.

SNMP Monitoring  
Console

Etere SNMP Console is the leading edge technology with a simple, intuitive and user-friendly interface that helps to optimize all the infrastructure performance and availability of a system. The SNMP Console provides a smarter solution since it takes under-control not only Etere solutions but all processes/devices in the system. Etere innovates and upgrades its Console continuously to transform any broadcast system into a completely safe solution because the security is of utmost importance! All processes are monitored by SNMP standard protocol.

Download the attached **Etere SNMP Console** Solution Powerpoint for a complete list of features and key advantages.
