ETERE MASTER CONTROL

Etere solutions manage the **end-to-end media lifecycle** of broadcast and media enterprises. Take the first step to achieve the results-driven success that you want. We can help you to attain results that are tailored for your success.

Etere Budget Packages:

- Etere Budget Newsroom Package
- Etere Budget Media Asset Management (MAM) Package
- Etere Budget Automation Package
- Etere Budget Automation with DiskLibrary Package

Key Benefits:

- Etere Budget packages provide more features and better innovation than the standard budget solution in the market
- Customers can choose to update to the standard package and a full refund of the Budget Package price will be given
- Backed by Etere's renowned expertise, reliability and innovation
- A single package price for a complete system, ideal option for entry-level/regional/budget operations
- All packages allow to use SD or HD resolution only.

Etere budget packages cannot be changed, however, if you choose to upgrade to the standard package, a full refund of the budget package price will be given, thus lowering the cost of ownership and making it the best option for broadcasters who need an entry-level system without restricting their plans for future expansions.
