### About Etere

Etere was established in 1987 in Italy and it is amongst the worldwide leaders in Media Asset Management (MAM) and channel-in-a-box software solutions. Etere Media Enterprise Resource Planning (MERP) framework of scalable solutions are used by media enterprises across the end-to-end workflow. Etere MERP modular software including Media Asset Management (MAM), Airsales, Ad Insertion, Playout Automation, Broadcast Management System, HSM Archive, NRCS Newsroom, Broadcast Management System, Broadcast video over IP, IP Multiviewer and Live Censorship are built with an innovative architecture, offering the best flexibility and reliability in the market. Etere is headquartered in Singapore, with a dedicated 24/7 support centre in Italy.

### About Newtek NDI®

Newtek NDI® is royalty free for any company looking to establish IP workflows within their organization, or in commercial products and applications they deliver. Boosting a seamless integration, NDI® enables multiple video systems to identify and communicate with one another over IP as well as to encode, transmit and receive multiple streams of high quality, low latency and frame-accurate video and audio in real-time.
