

## NAB 2020 and COVID-19

We want to make you aware of a difficult, but important decision to cancel our participation in the NAB 2020 show next month in Las Vegas due to concerns around Covid-19.

While this decision was not easily made, Etere is committed to the safety of our employees, customers, and partners.

NAB is a very important event to Etere and a key time to connect and network with our customers and friends in the media and entertainment community. We won't let this decision get in the way of connecting with you

In the next weeks, you will see more information from us as we move to innovative ways to deliver virtual meetings and demos.

We look forward to still connecting with you, and when it is safe to gather in-person at future shows

Stay safe,  
Etere Team
