

Powerpoint: Budget Automation (with DiskLibrary) Package

Budget Automation (with DiskLibrary) Package is capable of managing all the requirements of a small budget TV or media company. Please view the attachment for the configuration.

Etere logo

Etere releases a Budget Automation (with DiskLibrary) package that features all the software tools for a complete management of regional TV stations and small-scale broadcast operations. It comes complete with all the essential features needed for an end-to-end broadcast operation, including Etere DiskLibrary, a modern software solution that is also a cost-effective alternative to LTO and ODA libraries.

Download the attached Etere Budget Automation (with DiskLibrary) Package powerpoint for a complete list of suggested hardware, features and key advantages.
