About ABU DBS 2025

The symposium is held each year in Kuala Lumpur. It consists of a conference, an exhibition, masterclasses and workshops, and attracts close to 1,500 participants annually, representing over 350 organisations across the region and beyond.

The event, through its conference sessions, panel discussions, focused workshops and masterclasses, presented by eminent experts across the globe, will address challenges, find solutions and share experiences related to digital transition, technology implementation, creative content ideas, and enhancing user experiences.

The DB Symposium, now a prominent event within the industry calendar, provides international and regional exposure to our members and the media industry alike.
