Etere Cloud

NAB2014

NAB 2014 is a great opportunity to look at the latest innovative and advanced broadcast cloud software solutions developed by Etere for broadcasters and media companies. Attendees can discover a wide range of technology software with ERP design to improve the efficiency of their workflows while cutting costs.

Etere will show a fully integrated range of enterprise-level software modules, as: Cloud Media Asset Management, Cloud Archiving, Automation, Tapeless Reception, Air Sales, Broadcast Management, Scheduling, Transcoding and OTT Integration.

Etere Cloud Media ERP allows building a flexible, scalable and customizable system capable of carrying out the entire media life cycle from production to ingest and playout, from archiving to content delivery in multiple formats for multiple purposes, under a fully tapeless/paperless and workflow-based digital environment.

Register here using the Etere's VIP Pass Code: LV3754 and get your free NAB pass and experience an up close look at latest technologies and solutions with our Sales Team.

See you in Las Vegas!
