

Seasons Greetings from Etere

Merry Christmas & Happy 2012.

The whole of Etere staff wishes you Season's Greetings!

Season greetings

The year 2011 has been really challenging and important for all of us: we have been a remarkable increase in our sales volume, a key factor that shows how, during the actual global economic crisis, Etere has revealed as the best compromise between quality and price for all those customers who needs a cost effective solution able to be reliable and comprehensive at the same time. We mainly thank our Customers, Distributors and Partners for helping us reaching these goals which represent a strong motivation for us to continue developing cutting-edge software solutions and to play a pioneering role on the market. We would like to thank you for your continued support and we look forward to working with you in the New Year.

As usual also this year, Etere has chosen to donate the amount which is usually set aside for the tradizionale Christmas gift to Emergeny's Programme Italy, and to share with you a gesture of tangible solidarity. Detailed information on this activity is available in the attached PDF document.
