Etere is a pioneer in IT-based playout and amongst the worldwide leaders in automated broadcast solutions. Etere provides an end-to-end suite of solutions that helps businesses to work better and to save costs. At SET Expo 2017, Etere will be showcasing our solutions which incorporates some of the most advanced, effective and cost-efficient automated technologies available in the market including **IT Playout, HSM, Automation, Newsroom, Media Asset Management, Censorship, and Airsales.**

Etere DiskLibrary

DiskLibrary is an all-in-one software-based solution that works with a simple PC setup and is a cost-efficient alternative to LTO tapes and ODA. DiskLibrary features greater flexibility and interoperability as it allows the user to use any archive enclosure instead of a dedicated type. For long-term benefits, Etere DiskLibrary provides easy maintenance and upgrades. It can be configured with JBODS and MAID for high performance, fast restores and large capacity for a smaller energy consumption and footprint.

SET EXPO 2017

About SET EXPO

Organized by the prestigious Brazilian Society of TV Engineering, SET Expo is the main Latin American event on Television, Radio and Telecommunications Engineering industry. SET EXPO is focused on professionals and executives from the multimedia production and distribution market, including open and under-payment TV, radio, internet, production and telecommunications.
