Date: 3rd - 4th of August 2017 | Thurs - Friday

Venue: The Elements in Centris, Prosperity Hall, EDSA Corner Quezon Ave, Quezon City | Philippines

Booth: B12

We are pleased to announce our participation at the **Broadcast EDSA Trade Show 2017, Booth B12** which will be held from **3rd to 4th August** at **The Elements in Centris, Quezon City, Philippines**. Etere has established its position as one of the most popular solutions chosen by major broadcasters in the Philippines. Etere is committed to continual innovation and improvements to bring even greater value to our customers. Etere solutions go beyond the traditional **Media Asset Management (MAM)** design, with a revolutionary and integrative framework that empower companies with a complete and accurate control of the entire business workflow. During the event, Etere will be showcasing its range of **MERP (Media Enterprise Resource Planning)** solutions, including the latest roll-outs of 2017.

Etere DiskLibrary

DiskLibrary is an all-in-one software-based solution that works with a simple PC setup and is a cost-efficient alternative to LTO tapes and ODA. DiskLibrary features greater flexibility and interoperability as it allows the user to use any archive enclosure instead of a dedicated type. DiskLibrary provides cost-effective and easy maintenance as well as upgrades. It can be configured with JBODS and MAID for high performance, fast restores and large capacity for a smaller energy consumption and footprint.
