Etere will present its unique **Etere Media Enterprise Resource Planning (MERP)** framework of solutions which are capable of managing the end-to-end lifecycle of any media and broadcast company with its flexible and powerful software-based modules including **Media Asset Management (MAM)**, **Newsroom**, **Hierarchical Storage Management (HSM)**, **Censorship**, **Broadcast Management System (BMS)**, **Automation**, **Airsales** and **Ad Insertion**.

Make an appointment with us for a live demonstration of the benefits Etere can bring to your company. Talk to us at info@etere.com. See you in Québec, Canada!

About Signis World Congress 2017

Signis World Congress, will be held in Québec at the Laval University from June 19th to 21st 2017. The Signis World Congress recognizes and celebrates the creativity of Catholic communicators, acknowledges and highlights the value of their stories. The theme of Signis World Congress 2017 is "Promoting Stories of Hope". Signis World Congress includes workshops, conferences and presentations and it is a platform for companies, associations and institutions to showcase their products and services to media and communication organisations from all around the world. The Signis World Congress will also be held with the 17th Catholic Media Conference, the annual conference of the Catholic Press Association of America and Canada, which will be held after the Congress and will constitute another great opportunity to network with media professionals.
