Celebrating 30 Years of Quality

Happy Holidays! 2017 marks an important milestone for Etere. With the support of our valued distributors, partners, customers and friends, we are honored to be celebrating our 30 years in the broadcast and media business. Thank you for your continuous support and valued partnerships. Our relationship with you is a key factor in our success story and we look forward to achieving greater heights together with you.

Quality is an investment in the future and an enduring commitment at Etere. At Etere, our software solutions are designed, tested and perfected to fulfill not just the needs of today but also taking into account its scalability and adaptability for the future as well. We strive to create solutions that go the extra mile and to sustain long-lasting relationships with our customers. Thank you for placing your trust in us.

Just like in previous years, Etere has chosen to donate the amount which is usually set aside for traditional Christmas gifts. This season of giving, we have chosen **Kidney Dialysis Foundation (Singapore)** as a beneficiary to support its cause to kidney diseases research and subsidies for the dialysis treatment of needy patients. With the support of the community, the needy will not be deprived of treatment due to financial difficulties.

As we raise our glasses and toast to celebrate the holiday season, all of us at Etere would like to wish you a Merry Christmas and prosperity in the New Year ahead!

**Warmest Wishes,
From All of Us at Etere.**
