

Etere31 Ceases Windows7 Support

Due to the end of support for Windows 7, Etere will gradually cease the support of Windows 7 from Etere31 that will be released in 2021. This is also applicable to Windows server 2008 and SQL server 2008.

Windows 7

Etere Multiplatform

Due to Microsoft's discontinuation of support for Windows7 from January, Etere will no longer support Windows7 from Etere software release version 31. Etere will gradually cease its support for Windows7, from Etere version 31, that will be released in the first quarter of 2021. This is also applicable for Windows Server 2008 and SQL Server 2008. Etere's support for the newer versions of Windows remain unaffected.

Stay connected, wherever you are

Etere users with a valid support contract will continue to have unlimited access to free software updates and upgrades. Etere is committed to preparing its users for the future.
