Windows 11

Like all Etere software updates, the upgrade is complimentary for all Etere users on a support contract. It brings highly anticipated enhancements that improve system performance, interoperability, and reliability including,

- Improved multi-monitor support
- Enhanced touchscreen interactions
- AI-Powered Widgets: New widgets in Windows 11 are well-connected to the system with an easy navigation interface
- Supports the creation of individual and customizable desktops
- Snap layouts: Have an unlimited number of windows on your screen concurrently
- Introduction of Snap Groups: Snap Groups are open windows saved in Snap Layouts. Users can minimize or maximize them as a group
- Android apps on Windows 11: Supports android apps and remote control for smartphone

Etere empowers you with the software tools to be more productive with less effort. The company remains committed to providing the best for its customers. Etere provides unlimited software updates and market-proven 24/7 customer service ready to support customers from all around the world. We help you get to where you want to be without charging a premium for it.
