Now you can enjoy the cost-effectiveness and flexibility of the Etere SaaS with minimal operational disruptions. Convert your Permanent Licence to Etere Software as a Service (SaaS) to enjoy the benefits below.

Advantages of EA1380

■**Significant cost savings:** Companies are entitled to receive a discount when they convert their licenses

■**Allows fast scaling:** Businesses can expand capabilities quickly to meet growing demands without impacting capital expenditures significantly

■**Access to new releases and upgrades:** Software upgrades and new releases are inclusive with an Etere Support Contract, allowing businesses to optimize their systems at all times

■**Lower cost of entry:** Businesses using Etere SaaS do not require high upfront costs, and this allows them to adopt the best technology to drive efficiency and results

■**Safeguards business continuity:** In the event of unforeseen circumstances, the Etere support team is ready to help businesses get up and running as soon as possible

■**Quick license deployment:** In case new licenses are needed, they are readily available and can be deployed on short notice
