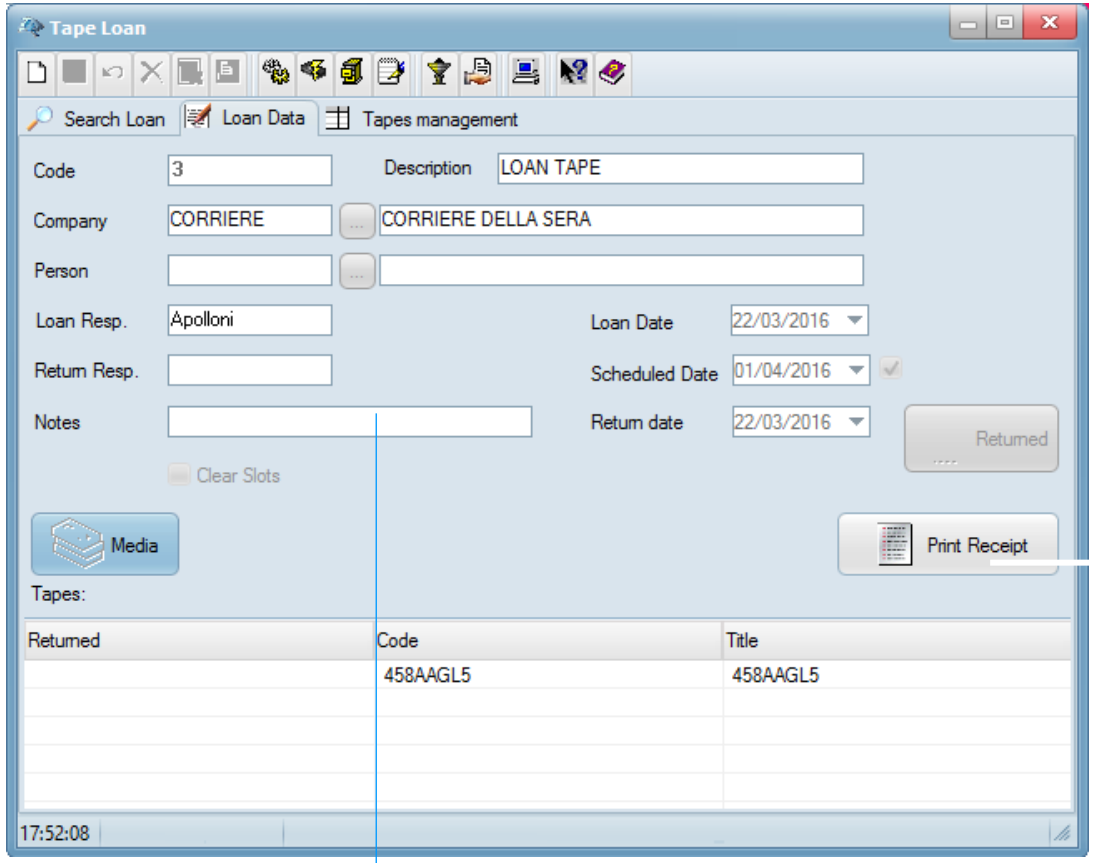
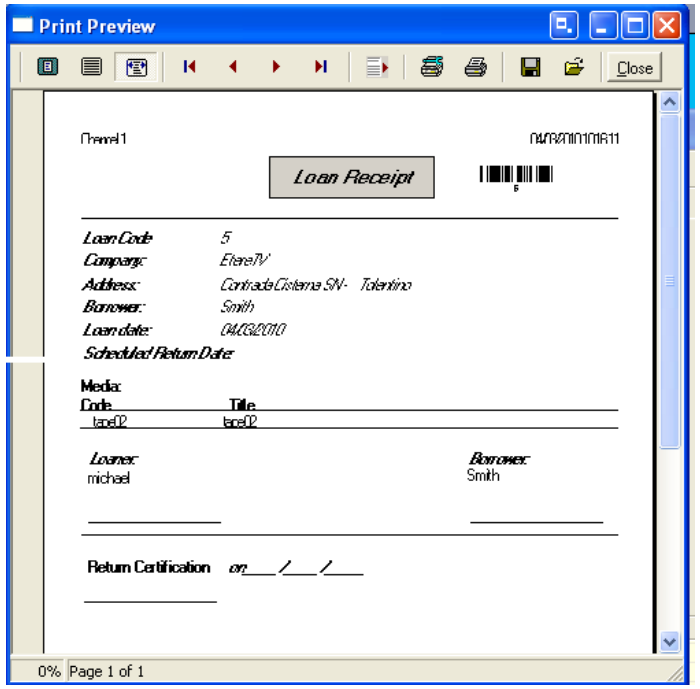
Tape Loan

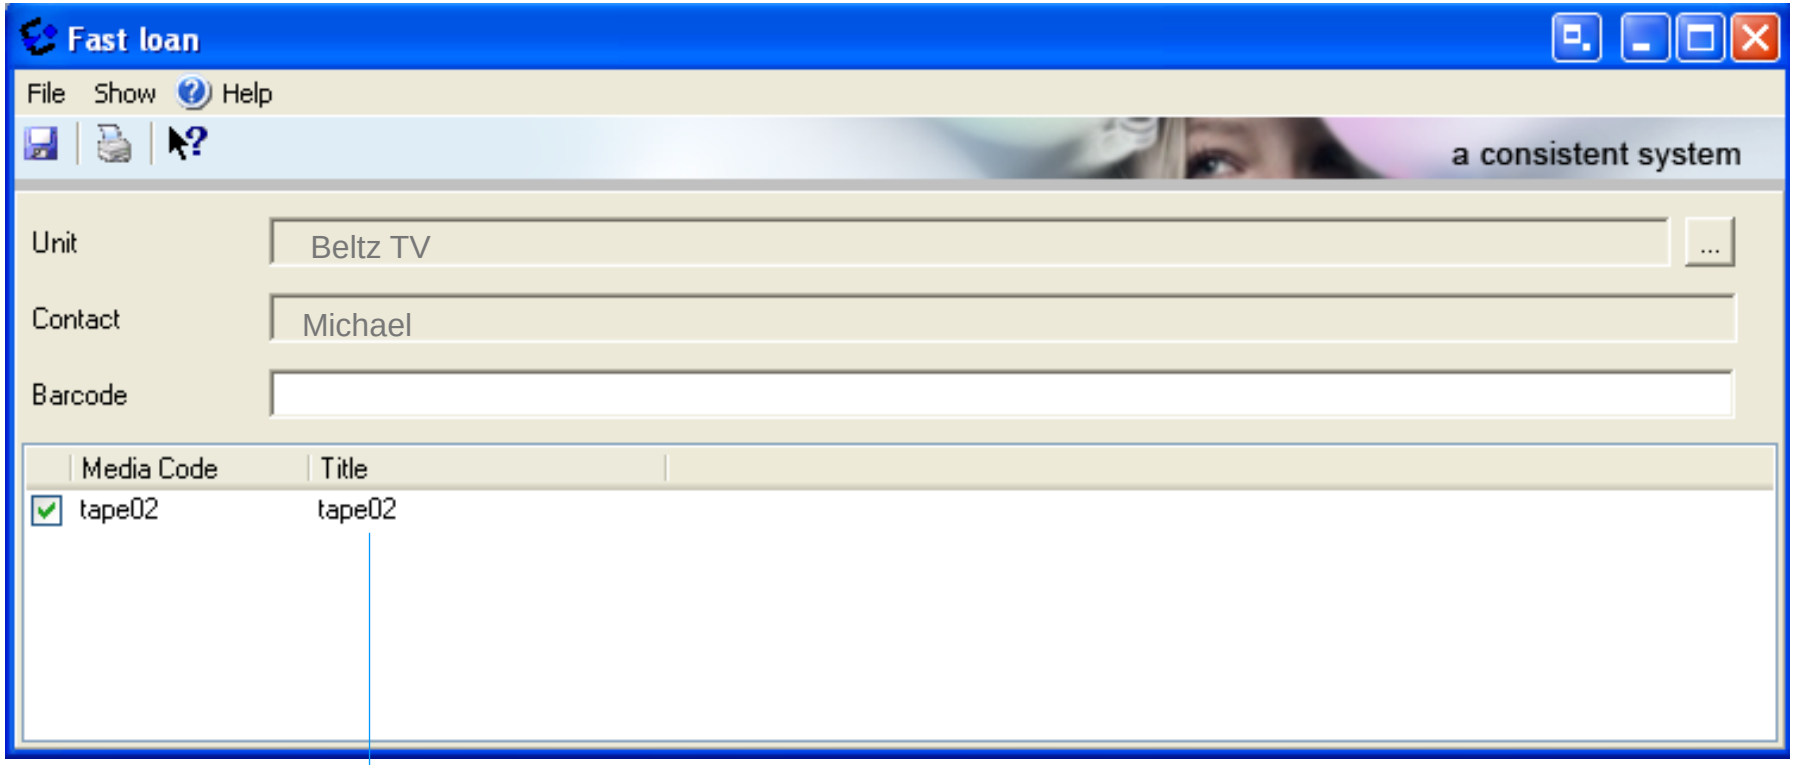




Perform an accurate loan of tapes by inserting all relevant data related to the operation (i.e.: company, responsible, dates, tape, etc)

Etere
a consistent system

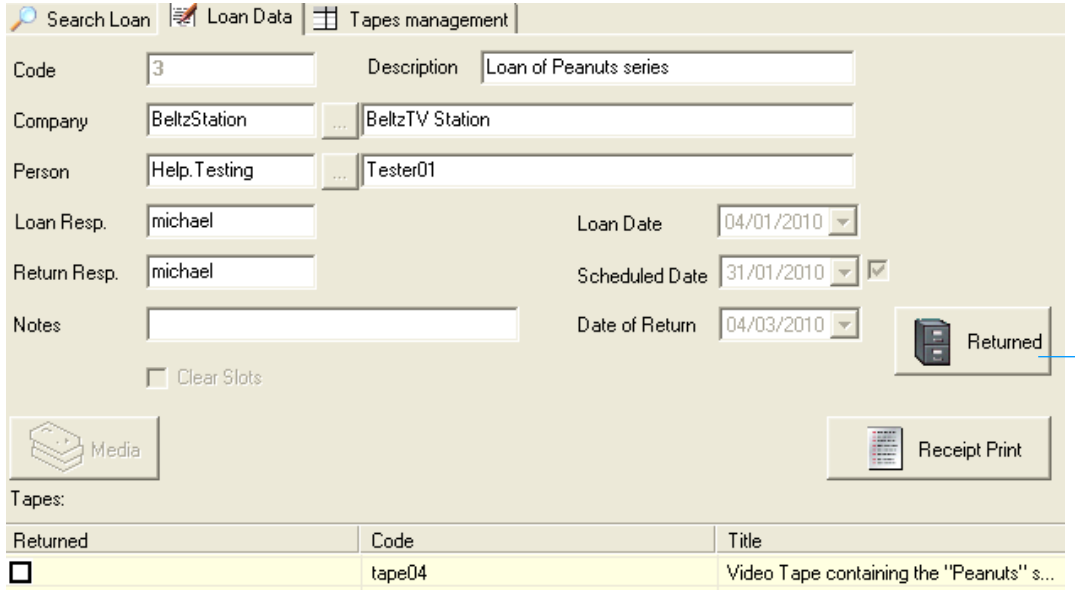
Fast Tape Loan



With FAST LOAN, you just have to select the department from which the tape will be loaned, insert its barcode and the operation is done!

Etere
a consistent system

Tape Return



If a loaned tape has been returned, update the system with just one click

FAST RESTITUTION allows the selection of all the loaned tapes that are already returned
